

CANADIAN MEDICAL DISCOVERIES FUND INC.

**FINANCIAL STATEMENTS NOTICE & REQUEST FORM**

Dear Shareholder,

Canadian Medical Discoveries Fund Inc. is committed to conducting business in an efficient and environmentally friendly manner. Many shareholders do not want us to send them printed materials because they do not read them and find it wasteful.

With this in mind, we will not be sending you the 2006 Canadian Medical Discoveries Fund semi-annual financial statements or management report of fund performance unless you specifically request to receive them. Additionally, under recent changes to securities laws, we will only send annual audited financial statements and management reports of fund performance to those shareholders who request to receive them.

Please note that unless you complete this form and return it to us, you will not receive the 2006 semi-annual or annual financial statements or management reports of fund performance.

These statements will still be available to you either in electronic or printed format as follows:

- By downloading them from [www.cmdf.com](http://www.cmdf.com) or [www.sedar.com](http://www.sedar.com)
- By emailing us at [information@cmdf.com](mailto:information@cmdf.com)
- By calling us toll-free c/o CIBC Asset Management at 1-800-268-8258

You will be sent a request form and given the option to receive financial statements and management reports of fund performance on an annual basis. If you have any questions, please contact us or your dealer or investment advisor.
